ISN Selected by PCL Industrial Management Inc.
ISNetworld to Manage, Monitor and Qualify Sub-Contractors and Suppliers

CALGARY (November 5, 2012) — ISN is pleased to announce that PCL Industrial Management Inc. has partnered with ISN to assist in the management of its sub-contractors and suppliers.

PCL Industrial Management Inc. is part of the PCL family of companies and is headquartered in Edmonton, Alberta. PCL is a construction management company that services the heavy industrial marketplace, civil infrastructure and building markets in Canada, the United States, Australia and the Caribbean. PCL was named the sixth largest contractor company in the United States by Engineering News and has been a member of ISN, as a contractor, for nine years.

"PCL has worked with ISN since 2003, recognizing the value of its products and services to contractor management from the contractor perspective," said Roger Keglowitsch, Vice President, PCL Industrial Management Inc. "Using ISNetworld will further assist us in our efforts to select and manage the right sub-contractor or supplier for PCL projects."

"PCL will use ISNetworld to comply with its clients' requirements and to qualify its sub-contractors and suppliers," said Laura Tabor, Section Supervisor, ISN Canada. "Partnering with PCL as part of its dynamic health and safety culture, ISN will support PCL's goal of zero incidents."

About ISN
ISN provides an online contractor management database, ISNetworld, which is designed to meet internal and governmental record keeping and compliance requirements. ISN collects health and safety, procurement, quality and regulatory information for more than 44,000 contractors and 265 Owner Clients. ISN's subject matter experts review and verify this information to assess the accuracy, relevance and timeliness of the data. Connecting Owner Clients with safe, reliable and sustainable contractors and suppliers around the globe allows these organizations to use ISN as an integral part of their management systems.
